

40 C.F.R. § 62.8108

Identification of plan.

- (a) On July 1, 2013, the New York State Department of Environmental Conservation (NYSDEC) submitted to the Environmental Protection Agency a section 111(d)/129 plan for implementation and enforcement of 40 CFR part 60, subpart M, Emission Guidelines and Compliance Times for Existing Sewage Sludge Incineration Units. On February 28, 2014, the NYSDEC submitted clarifying information concerning the State's plan.
