
40 C.F.R. § 63.11397

What General Provisions apply to this subpart?

- (a) You must meet the requirements of the General Provisions in 40 CFR part 63, subpart A, as shown in Table 1 to this subpart.
- (b) If you own or operate an existing affected source, your notification of compliance status required by § 63.9(h) must include the following information:
- (1) This certification of compliance, signed by a responsible official, for the standards in § 63.11395(a): “This facility complies with the management practices required in § 63.11395(a) for operation of capture systems for polymerization process equipment and monomer recovery process equipment.”
- (2) This certification of compliance, signed by a responsible official, for the emissions limits in § 63.11395(b): “This facility complies with the emissions limits in § 63.11395(b)(1) and (2) for control devices serving the polymerization process equipment and monomer recovery process equipment based on previous performance tests in accordance with § 63.11395(h)” or “This facility complies with the alternative standards for process vents in § 63.11395(b)(3) based on previous performance tests and assessments in accordance with § 63.11396(f)”. If you conduct a performance test or assessment to demonstrate compliance, you must include the results of the performance test and/or assessment.
