

Report on Medicare Compliance Volume 28, Number 12. April 01, 2019 Tool for Auditing Compliance With Provider-Based Requirements

This tool was developed by Novant Health, which has hospitals, outpatient centers and physician offices in North and South Carolina and Virginia. Novant has a task force that evaluates whether new clinics should be provider based or freestanding, depending on the types of services, revenue they will generate, location, 340B drugs and other factors. Contact Loree Simmons, assistant director of compliance and integrity, at clsimmons@novanthealth.org.
