
40 C.F.R. § 63.7901

How do I demonstrate initial compliance with the emissions limitations and work practice standards for containers?

- (a) You must demonstrate initial compliance with the emissions limitations and work practice standards in § 63.7900 that apply to your affected containers by meeting the requirements in paragraphs (b) through (e) of this section, as applicable to your containers.
- (b) You have submitted as part of your notification of compliance status, specified in § 63.7950, a signed statement that you have met the requirements in paragraphs (b)(1) and (2) of this section.
- (1) You have determined the applicable container control levels specified in § 63.7900 for the containers to be used for your Site Remediation.
- (2) You have determined and recorded the maximum vapor pressure or total organic concentration for the remediation material placed in containers with a design capacity greater than 0.46 m³, and do not use Container Level 2 or Level 3 controls.
