

## 40 C.F.R. § 63.8830

---

### What definitions apply to this subpart?

---

Terms used in this subpart are defined in the CAA, in 40 CFR 63.2, and in this section as follows:

*Adhesive* means any chemical substance that is applied for the purpose of bonding foam to foam, foam to fabric, or foam to any other substrate, other than by mechanical means. Products used on humans and animals, adhesive tape, contact paper, or any other product with an adhesive incorporated onto it in an inert substrate shall not be considered adhesives under this subpart.

*Deviation* means any instance in which an affected source subject to this subpart, or an owner or operator of such a source:
