

31 C.F.R. § 19.845

What does the debarring official consider in deciding whether to debar me?

- (a) The debarring official may debar you for any of the causes in § 19.800. However, the official need not debar you even if a cause for debarment exists. The official may consider the seriousness of your acts or omissions and the mitigating or aggravating factors set forth at § 19.860.
