

31 C.F.R. § 34.203

Eligible activities for the Spill Impact Component.

Activities eligible for funding under the Spill Impact Component must meet the eligibility criteria in § 34.201(a) through (k), as well as the following:

- (a) The activities must be included in and conform to the description in a State Expenditure Plan required in § 34.503 and approved by the Council. State entities may apply for a grant from the total amount allocated to that state under the Spill Impact Component before the Council has approved the State Expenditure Plan to fund eligible activities that are necessary to develop and submit that plan.
