

31 C.F.R. § 34.703

Application procedure—Centers of Excellence Research Grants Program.

Treasury has developed an application process for grants available to the Gulf Coast States under this subpart that is consistent with the Act and Federal laws and policies on grants. The process includes the following requirements:

- (a) Each Gulf Coast State must describe the competitive process that the state will use to select one or more Centers of Excellence. The competitive process must allow nongovernmental entities and consortia in the Gulf Coast Region, including public and private institutions of higher education, to compete. The process must give priority to entities and consortia that demonstrate the ability to establish the broadest cross-section of participants in the grant with interest and expertise in science, technology, and monitoring in the discipline(s) on which the proposal is focused. The process must also guard against conflicts of interest.
