

31 C.F.R. § 5.21

What does a Treasury entity do upon receipt of a request to offset the salary of a Treasury entity employee to collect a debt owed by the employee to another Federal agency?

- (a) *Notice to the Treasury employee.* When a Treasury entity receives proper certification of a debt owed by one of its employees, the Treasury entity will begin deductions from the employee's pay at the next officially established pay interval. The Treasury entity will send a written notice to the employee indicating that a certified debt claim has been received from the creditor agency, the amount of the debt claimed to be owed by the creditor agency, the date deductions from salary will begin, and the amount of such deductions.
- (b) *Amount of deductions from Treasury employee's salary.* The amount deducted under § 5.20(b) of this part will be the lesser of the amount of the debt certified by the creditor agency or an amount up to 15% of the debtor's disposable pay. Deductions shall continue until the Treasury entity knows that the debt is paid in full or until otherwise instructed by the creditor agency. Alternatively, the amount offset may be an amount agreed upon, in writing, by the debtor and the creditor agency. See § 5.12(g) (salary offset process).
