### When will Treasury entities transfer a Treasury debt to the Treasury Department's Financial Management Service for collection?

---

- (a) Treasury entities will transfer any eligible debt that is more than 180 days delinquent to the Financial Management Service for debt collection services, a process known as “cross-servicing.” See 31 U.S.C. 3711(g) and 31 CFR 285.12. Treasury entities may transfer debts delinquent 180 days or less to the Financial Management Service in accordance with the procedures described in 31 CFR 285.12. The Financial Management Service takes appropriate action to collect or compromise the transferred debt, or to suspend or terminate collection action thereon, in accordance with the statutory and regulatory requirements and authorities applicable to the debt and the collection action to be taken. See 31 CFR 285.12(b)(2). Appropriate action includes, but is not limited to, contact with the debtor, referral of the debt to the Treasury Offset Program, private collection agencies or the Department of Justice, reporting of the debt to credit bureaus, and administrative wage garnishment.
