

31 C.F.R. § 50.54

Handling of data.

(a) *General.* All nonpublic information submitted to the Secretary under subparts F and G of this part shall be considered proprietary information and shall:

- (1) Be handled and stored by Treasury in an appropriately secure manner;
- (2) Be considered, where appropriate, to be trade secrets or commercial or financial information obtained from a person and privileged or confidential; and
- (3) Not be publicly released in any unaggregated form in which a consumer, policyholder, or insurer is identifiable.

(b) *Use of insurance statistical aggregator.* To the extent Treasury utilizes an insurance statistical aggregator in connection with any data collection under subparts F and G, such insurance statistical aggregator shall keep any nonpublic information that it collects confidential, consistent with the requirements of this section.
