

29 C.F.R. § 102.101

Response to petition; service of response.

Any party served with such petition may, within 14 days after service thereof, respond to the petition, admitting or denying its allegations. The response must be filed with the Board in Washington, DC. The response must simultaneously be served on all other parties to the proceeding, and a statement of service must be filed in accordance with the provisions of § 102.5(h).
