

## 29 C.F.R. § 102.136

---

### Establishment and use of advisory committees.

---

Advisory committees may from time to time be established or used by the Agency in the interest of obtaining advice or recommendations on issues of concern to the Agency. The establishment, use, and functioning of such committees will be in accordance with the provisions of the Federal Advisory Committee Act, 5 U.S.C. App. 2, applicable Rules and Regulations.
