

29 C.F.R. § 2.33

Responsibilities of DOL, DOL social service providers, and State and local governments administering DOL support.

- (a) Any organization that participates in a program funded by Federal financial assistance shall not, in providing services supported in whole or in part with Federal financial assistance, or in conducting outreach activities related to such services, discriminate against a current or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect Federal financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program. This requirement does not preclude DOL, DOL social service intermediary providers, or State or local governments administering DOL support from accommodating religion in a manner consistent with the Establishment Clause of the First Amendment to the Constitution.
