Compliance information.

- (a) *Cooperation and assistance.* The Assistant Secretary shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.
- (b) *Compliance reports.* Each recipient shall keep such records and submit to the Assistant Secretary timely, complete and accurate compliance reports at such times, and in such form and containing such information as the Assistant Secretary may determine to be necessary to enable him to ascertain whether the recipient had complied or is complying with this part. For example, recipients should have available for the Department data showing the extent to which known handicapped individuals are beneficiaries and participants in federally assisted programs or activities. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.
