Fiscal year for reports required by this part.

(a) As used in this part, unless otherwise defined, the term *fiscal year* means the calendar year or other period of 12 consecutive calendar months, on the basis of which financial accounts are kept by a labor organization reporting under this part. Where a labor organization designates a new fiscal year period prior to the expiration of a previously established fiscal year period, the resultant period of less than 12 consecutive calendar months, and thereafter the newly established fiscal year, shall in that order each constitute a fiscal year for purposes of the report required to be filed by section 201(b) of the Act, and of the regulations in this part.
