

## 29 C.F.R. § 452.110

---

### Adequate safeguards.

---

(a) In addition to the election safeguards discussed in this part, the Act contains a general mandate in section 401(c), that adequate safeguards to insure a fair election shall be provided. Such safeguards are not required to be included in the union's constitution and bylaws, but they must be observed. A labor organization's wide range of discretion regarding the conduct of elections is thus circumscribed by a general rule of fairness. For example, if one candidate is permitted to have his nickname appear on the ballot, his opponent should enjoy the same privilege.
