

29 C.F.R. § 452.60

Nominations for national, international or intermediate body office.

- (a) When officers of a national or international labor organization or of an intermediate body are to be elected by secret ballot among the members of the constituent local unions, it is not unreasonable for the organization to employ a nominating procedure whereby each local may nominate only one candidate for each office. When such a procedure is employed the organization may require that each candidate be nominated by a certain number of locals before his name will appear on the ballot. The reasonableness of the number of local union nominations or endorsements required depends upon the size and dispersion of the organization.
