

## 29 C.F.R. § 458.88

---

### Submission of the Administrative Law Judge's recommended decision and order to the Administrative Review Board; exceptions.

---

- (a) After the close of the hearing, and the receipt of briefs, or findings and conclusions, if any, the Administrative Law Judge shall prepare his recommended decision and order expeditiously. The recommended decision and order shall contain findings of fact, conclusions, and the reasons or basis therefor including credibility determinations, and recommendations as to the disposition of the case including the remedial action to be taken.
