

## 29 C.F.R. § 471.10

---

### How will the Department determine whether a contractor is in compliance with Executive Order 13496 and this part?

---

- (a) The Director of OFCCP may conduct a compliance evaluation to determine whether a contractor holding a covered contract is in compliance with the requirements of this part. Such an evaluation may be limited to compliance with this part or may be included in a compliance evaluation conducted under other laws, Executive Orders, and/or regulations enforced by the Department.
