

29 C.F.R. § 500.102

Applicability of vehicle safety standards.

- (a) Any passenger automobile or station wagon used or caused to be used by any farm labor contractor, agricultural employer or agricultural association to transport any migrant or seasonal agricultural worker shall meet the vehicle safety standards prescribed in § 500.104.
- (b) Any vehicle, other than a passenger automobile or station wagon, used or caused to be used by any farm labor contractor, agricultural employer or agricultural association to transport any migrant or seasonal agricultural worker pursuant to a day-haul operation shall be subject to the safety standards prescribed under § 500.105.
