## 29 C.F.R. § 500.70

---

### Scope of worker protections.

---

(a) *General.* The Act provides protections for migrant and seasonal agricultural workers irrespective of whether they are employed by a farm labor contractor, an agricultural employer or an agricultural association, or, in the case where there is joint responsibility, by more than one of these persons. The Act's provisions include standards relating to vehicle safety, housing safety and health, disclosure of wages, hours and other conditions of employment, and recordkeeping. When any person not otherwise exempt from the Act recruits, solicits, hires, employs, furnishes or transports workers, that person is required to comply with the applicable protective provisions of the Act. In addition, any person not specifically exempt from coverage of the Act (irrespective of whether that person is an agricultural employer, an agricultural association or farm labor contractor) who owns or controls a facility or real property which is used as housing for any migrant agricultural workers must ensure that the facility or real property complies with all substantive Federal and State safety and health standards made applicable to that type of housing. (See § 500.132)
