

## 29 C.F.R. § 1410.6

---

### Requests for correction or amendment of records.

---

- (a) If the individual disagrees with the information in the record, he may request that the record be amended by addition or deletion. Such a request must be in writing and directed to the Director of Administration, Federal Mediation and Conciliation Service, Washington, DC, 20427. The request must also specifically outline the amendment sought. The Director of Administration or his designated representative will acknowledge receipt of the request within 10 working days from the date of receipt of such request. Under normal circumstances, not later than 30 days after receipt of the request for amendments, the Director of Administration will either:
