
29 C.F.R. § 1608.7

Affirmative action plans or programs under State or local law.

Affirmative action plans or programs executed by agreement with State or local government agencies, or by order of State or local government agencies, whether entered by consent or after contested proceedings, under statutes or ordinances described in title VII, will be reviewed by the Commission in light of the similar purposes of title VII and such statutes and ordinances. Accordingly, the Commission will process title VII complaints involving such affirmative action plans or programs under this section.
