
29 C.F.R. § 1611.5

Disclosure of requested information to individuals.

(a) Upon receipt of request for notification as to whether the Commission maintains a record about an individual and/or request for access to such record:

(1) The appropriate Commission official shall acknowledge such request in writing within 10 working days of receipt of the request. Wherever practicable, the acknowledgement should contain the notification and/or determination required in paragraph (a) (2) of this section.

(2) The appropriate Commission official shall provide, within 30 working days of receipt of the request, written notification to the requester as to the existence of the records and/or a determination as to whether or not access will be granted. In some cases, such as where records have to be recalled from the Federal Records Center, notification and/or a determination of access may be delayed. In the event of such a delay, the Commission official shall inform the requester of this fact, the reasons for the delay, and an estimate of the date on which notification and/or a determination will be forthcoming.
