

29 C.F.R. § 1611.7

Request for correction or amendment to record.

- (a) Any person who wishes to request correction or amendment of any record pertaining to him or her which is contained in a system of records maintained by the Commission, shall submit that request in writing in accordance with the instructions set forth in the system notice for that system of records. If the request is submitted by mail, the envelope should be clearly labeled “Personal Information Amendment.” The request shall include:
