

29 C.F.R. § 1612.8

Public announcement of changes in meetings.

- (a) The agency is required to make a public announcement of any changes in its meeting or portion(s) thereof. If, after the announcement provided for in § 1612.7, the time or place of a meeting is changed or the meeting is cancelled, the agency will announce the change at the earliest practicable time. The subject matter or the determination to open or close the meeting may be changed only if (1) a majority of the entire membership of the agency determines by recorded vote that agency business so requires and that no earlier announcement of the change was possible and (2) the agency publicly announces the change and the vote of each member upon such change at the earliest practicable time.
