

29 C.F.R. § 1690.305

Nondisclosure of proposed issuances.

- (a) In the interest of encouraging full interagency discussion of these matters and expediting the coordination process, the EEOC will not discuss the proposed issuances of other agencies at an open Commission meeting where disclosure of information would be likely to significantly frustrate implementation of a proposed agency action. The Commission will make this determination on a case by case basis.
