
29 C.F.R. § 520.502

What information must an application to employ student-learners at subminimum wages contain?

Student-learner applications must contain:

- (a) A statement clearly outlining the vocational training program and showing, particularly, the processes in which the student-learner will be engaged when in training on the job;
- (b) A statement clearly outlining the school instruction directly related to the job;
- (c) The total number of workers employed in the establishment;
- (d) The number and hourly wage rates of experienced workers employed in the occupation in which the student-learner is to be trained;
