

## 29 C.F.R. § 551.6

---

### Action on petition.

---

- (a) Upon the filing of a petition as provided in this part, the Administrator will give consideration thereto, and make any further inquiry into the facts that he may deem necessary. The Administrator may require, before taking further action thereof, that notice of the petition be given to affected employees in such manner as he shall determine to be appropriate to afford them an opportunity to submit any facts or reasons supporting or opposing the finding prayed for in the petition. If the Administrator determines that the petition fails to satisfy any of the requirements of this part, he shall deny the request for a finding or, in his discretion, advise petitioners that further consideration will be given to the submission if the deficiencies are remedied within a specified time. No further consideration will be given, however, to a request for a finding if the Administrator determines that the factual situation as described in the petition is not one in which authority to make the finding is provided by section 13(b)(11) and this part.
