

29 C.F.R. § 570.11

Continued acceptability of certificates of age.

- (a) Whenever a person duly authorized to make investigations under this Act shall obtain substantial evidence that the age of the minor as given on a certificate held by an employer subject to this Act is incorrect, he shall inform the employer and the minor of such evidence and of his intention to request through the appropriate channels that action be taken to establish the correct age of the minor and to determine the continued acceptability of the certificate as proof of age under the Act. The said authorized person shall request in writing through the appropriate channels that action be taken on the acceptability of the certificate as proof of age under the Fair Labor Standards Act and shall state the evidence of age of the minor which he has obtained and the reasons for such request. A copy of this request shall be sent to the Administrator of the Wage and Hour Division for further handling through the State agency responsible for the issuance of certificates, except that in those States where Federal certificates of age are issued, action necessary to establish the correct age of the minor and to revoke the certificate if it is found that the minor is under age shall be taken by the Administrator of the Wage and Hour Division or his designated representative.
