Work-study program.

(a) This section varies the provisions contained in § 570.35(a)(1) and (a)(5) for the employment of minors 14 and 15 years of age who are enrolled in and employed pursuant to a school-supervised and school-administered work-study program that meets the requirements of paragraph (b) of this section, in the occupations permitted by § 570.34, and for the periods and under the conditions specified in paragraph (c) of this section. With these safeguards, such employment is found not to interfere with the schooling of the minors or with their health and well-being and therefore is not deemed to be oppressive child labor.

(b)

(1) A school-supervised and school-administered work-study program shall meet the educational standards established and approved by the State Educational Agency in the respective state.

(2) The superintendent of the public or private school system supervising and administering the work-study program shall file with the Administrator of the Wage and Hour Division a letter of application for approval of the work-study program as one not interfering with schooling or with the health and well-being of the minors involved and therefore not constituting oppressive child labor. The application shall be filed at least sixty days before the start of the school year and must include information concerning the criteria listed in paragraph (b) (3) of this section. The Administrator of the Wage and Hour Division shall approve the application, or give prompt notice of any denial and the reasons therefor.
