

## 29 C.F.R. § 778.218

---

### Pay for certain idle hours.

---

(a) *General rules.* Payments which are made for occasional periods when the employee is not at work due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause, where the payments are in amounts approximately equivalent to the employee's normal earnings for a similar period of time, are not made as compensation for his hours of employment. Therefore, such payments may be excluded from the regular rate of pay under section 7(e)(2) of the Act and, for the same reason, no part of such payments may be credited toward overtime compensation due under the Act.
