

29 C.F.R. § 1602.20

Records to be made or kept.

- (a) Every person required to file Report EEO-2 shall make or keep such records as are necessary for its completion under the conditions and circumstances set forth in the instructions accompanying the report, which are specifically incorporated herein by reference and have the same force and effect as other sections of this part.
- (b) Every employer, labor organization, and joint labor-management committee subject to title VII which controls an apprenticeship program (regardless of any joint or individual obligation to file a report) shall beginning August 1, 1967, maintain a list in chronological order containing the names and addresses of all persons who have applied to participate in the apprenticeship program, including the dates on which such applications were received. (See section 709(c), title VII, Civil Rights Act of 1964.) Such list shall, contain a notation of the sex of the applicant and of the applicant's identification as "White," "Black," "Hispanic," "Asian or Pacific Islander" or "American Indian or Alaskan Native." The methods of making such identification are set forth in the instruction accompanying Report EEO-2. The words "applied," "applicant" and "application" as used in this section refer to situations involving actual applications only. An applicant is considered to be a person who files a formal application, or in some informal way indicates a specific intention to be considered for admission to the apprenticeship program. A person who casually appears to make an informal inquiry about the program, or about apprenticeship in general, is not considered to be an applicant. The term "apprenticeship program" as used herein refers to programs described in the instructions accompanying Report EEO-2.
