

## 29 C.F.R. § 779.210

---

### Other activities which may be part of the enterprise.

---

- (a) An enterprise may perform certain activities that appear entirely foreign to its principal business but which may be a part of the enterprise because of the manner in which they are performed. In some cases these activities may be a very minor and incidental part of its business operations. For example a retail store may accept payments of utility bills, provide a notarial service, sell stamps, bus and theater tickets, or travellers' checks, etc. These and other activities may be entirely different from the enterprise's principal business but they may be performed on the same premises and by the same employees or otherwise under such circumstances as to be a part of the enterprise.
