
29 C.F.R. § 779.226

Exception for an independently owned retail or service establishment under certain franchise and other arrangements.

While certain franchise and other arrangements may operate to bring the one to whom the franchise is granted into another enterprise (see § 779.232), section 3(r) contains a specific exception for certain arrangements entered into by a retail or service establishment which is under independent ownership. The specific exception in section 3(r) reads as follows:
