
29 C.F.R. § 779.254

Summary of coverage and exemptions prior to and following the 1966 amendments.

The ordinary gasoline service establishment is a covered enterprise under the Act if it has an annual gross volume of sales made or business done of not less than \$250,000 a year, exclusive of excise taxes at the retail level which are separately stated, and meets the other tests of section 3(s)(5) of the prior Act and section 3(s)(1) of the amended Act. Beginning February 1, 1969, enterprise coverage extends to any gasoline service establishment in an enterprise which has an annual gross volume in such amount, even if the establishment's annual gross volume is less. Section 779.313 summarizes the requirements. An overtime pay exemption, which was repealed by the 1966 amendments, existed until February 1, 1967, for employees of ordinary gasoline service establishments under the prior Act. Thus, nonexempt employees of a covered gasoline service establishment enterprise are subject to the minimum wage standards for previously covered employment and the overtime pay requirements for newly covered employment as listed below:
