
29 C.F.R. § 779.381

Establishments within special exceptions or exemptions.

- (a) As stated in § 779.338, the special exceptions provided in the 1961 amendments for hotels, motels, restaurants, hospitals, institutions for the sick, the aged, the mentally ill or defective, and schools for physically or mentally handicapped or gifted children have been removed. Seasonally operated amusement or recreational establishments and motion picture theaters also no longer are specifically exempt under section 13(a)(2), but have specific exemptions set out for them in sections 13(a)(3) and 13(a)(9) of the Act as amended in 1966.
- (b) Hotels, motels, and restaurants continue to be eligible for exemption under section 13(a)(2), but must meet all the requirements of that section for exemption in the same manner as other retail or service establishments. However, a special overtime exemption is provided for such establishments, regardless of size, in the first part of section 13(b)(8). Hospitals, residential care establishments, and schools for physically or mentally handicapped or gifted children are specifically excluded by the Act from consideration for exemption under section 13(a)(2); however, residential care establishments are exempt from the overtime pay requirements of the Act under the second part of section 13(b)(8) as long as overtime premium of not less than one and one-half times the employee's regular rate of pay is paid to him for time worked in excess of 48 hours in the workweek. In addition, section 7(j) of the amended Act provides a special overtime arrangement for hospital employees whereby overtime pay is due an employee after 8 hours in a day or 80 hours in a 14-day work period rather than on the basis of the 7-day workweek as is normally required by the Act. This provision, though, requires an agreement or understanding on the part of both the employer and the employee prior to the performance of the work. See § 778.601 of this chapter.
