

## 29 C.F.R. § 780.135

---

### Meaning of “farm.”

---

A “farm” is a tract of land devoted to the actual farming activities included in the first part of section 3(f). Thus, the gathering of wild plants in the woods for transplantation in a nursery is not an operation performed “on a farm.” (For a further discussion, see § 780.207.) The total area of a tract operated as a unit for farming purposes is included in the “farm,” irrespective of the fact that some of this area may not be utilized for actual farming operations (see *NLRB v. Olat Sugar Co.*, 242 F. 2d 714; *In re Princeville Canning Co.*, 14 WH Cases 641 and 762). It is immaterial whether a farm is situated in the city or in the country. However, a place in a city where no primary farming operations are performed is not a farm even if operated by a farmer (*Mitchell v. Huntsville Nurseries*, 267 F. 2d 286).
