

## 29 C.F.R. § 780.3

---

### Exemptions discussed in this part.

---

- (a) The specific exemptions which the Act provides for employment in agriculture and in certain operations more or less closely connected with the agricultural industry are discussed in this part 780. These exemptions differ substantially in their terms, scope, and methods of application. Each of them is therefore separately considered in a subpart of this part which, together with this subpart A, constitutes the official interpretative bulletin of the Department of Labor with respect to that exemption. Exemptions from minimum wages and overtime pay and the subparts in which they are considered include the section 13(a)(6) exemptions for employees on small farms, family members, local hand harvest laborers, migrant hand harvest workers under 16, and range production employees discussed in subpart D of this part, and the section 13(a)(14) exemption for agricultural employees processing shade-grown tobacco discussed in subpart F of this part.
