Who needs to learn about compliance and ethics programs?

By Joe Murphy, CCEP

Joe Murphy (jemurphy5730@gmail.com) is a Senior Advisor at Compliance Strategists, SCCE's Director of Public Policy, and Editor-in-Chief of CEP Magazine.

Every year I participate in some of the leading educational programs in compliance and ethics. Of course, SCCE leads in this with the excellent academies, regional programs, institutes, and special programs. The Practising Law Institute (PLI) also provides training in this area, primarily for lawyers. I have had the good fortune to present as faculty in these programs, and I always learn from them though I have been in this field for more than 40 years.
