

## 29 C.F.R. § 901.3

---

### Participation by Commission.

---

(a) The Commission will consider participation in specific disputes which conform with the following criteria:

- (1) The disputes will have a significant impact on construction activity in the area involved.
- (2) The dispute concerns negotiations for a new or expiring agreement, or a question of interpretation or application of an existing agreement, where all other internal methods of resolution have been exhausted.
