

29 C.F.R. § 1902.40

Informal hearing.

- (a) Any hearing conducted under this section shall be legislative in type. However, fairness may require an opportunity for cross-examination on pertinent issues. The presiding officer is empowered to permit cross-examination under such circumstances. The essential intent is to provide an opportunity for participation and comment by interested persons which can be carried out expeditiously and without rigid procedures which might unduly impede or protract the 18(e) determination process.
