

## 29 C.F.R. § 1904.43

---

### Summary and posting of the 2001 data.

---

(a) *Basic requirement.* If you were required to keep OSHA 200 Logs in 2001, you must post a 2000 annual summary from the OSHA 200 Log of occupational injuries and illnesses for each establishment.

(b) *Implementation—(1) What do I have to include in the summary?* (i) You must include a copy of the totals from the 2001 OSHA 200 Log and the following information from that form:
