

29 C.F.R. § 1908.9

Monitoring and evaluation.

(a) *Assistant Secretary responsibility.* A State's performance under a Cooperative Agreement will be regularly monitored and evaluated by the Assistant Secretary as part of a systematic Federal plan for this activity. The Assistant Secretary may require changes as a result of these evaluations to foster conformance with consultation policy. If the State policies or practices which require change are such that the State's assurance of correction of serious hazards and of the effectiveness of employers' safety and health programs is in doubt, the Assistant Secretary may, pending the completion of the changes, suspend recognition of a State's consultative visits as a basis for exemption from compliance inspection as permitted under § 1908.7(b)(4).
