

## 29 C.F.R. § 1911.3

---

### Petition for the promulgation, modification, or revocation of a standard.

---

Any interested person may file with the Assistant Secretary, Occupational Safety and Health Administration, U.S. Department of Labor, Washington, D.C. 20210, a written petition for the promulgation, modification, or revocation of a standard. The petition should include, or be accompanied by, the proposed rule desired and a statement of the reasons therefor and intended effect thereof.
