

## 29 C.F.R. § 1915.73

---

### Guarding of deck openings and edges.

---

- (a) The provisions of this section shall apply to ship repairing and shipbuilding operations and shall not apply to shipbreaking.
- (b) When employees are working in the vicinity of flush manholes and other small openings of comparable size in the deck and other working surfaces, such openings shall be suitably covered or guarded to a height of not less than 30 inches, except where the use of such guards is made impracticable by the work actually in progress.
