
29 C.F.R. § 1918.97

First aid and lifesaving facilities. (See appendix V of this part).

- (a) *Injury reporting.* The employer shall require each employee to report every work-related injury, regardless of severity, to the employer.
- (b) *First aid.* A first aid kit shall be available at or near each vessel being worked. At least one person holding a valid first aid certificate, such as is issued by the Red Cross or other equivalent organization, shall be available to render first aid when work is in progress.
- (c) *First aid kits.* First aid kits shall be weatherproof and shall contain individual sealed packages for each item that must be kept sterile. The contents of each kit shall be determined by a person certified in first aid and cognizant of the hazards found in marine cargo handling operations. The contents shall be checked at intervals that allow prompt replacement of expended items.
