

## 29 C.F.R. § 1917.26

---

### First aid and lifesaving facilities.

---

- (a) Employers shall instruct employees to report every injury, regardless of severity, to the employer.
- (b) A first aid kit shall be available at the terminal, and at least one person holding a valid first aid certificate shall be at the terminal when work is in progress.
- (c) *First aid kit.* First aid kits shall be weatherproof and shall contain individual sealed packages for each item that must be kept sterile. The contents of each kit shall be determined by a person certified in first aid and cognizant of the hazards found in marine cargo handling operations. The contents shall be checked at intervals that allow prompt replacement of expended items.
