

29 C.F.R. § 1926.1060

Training requirements.

The following training provisions clarify the requirements of § 1926.21(b)(2), regarding the hazards addressed in subpart X.

- (a) The employer shall provide a training program for each employee using ladders and stairways, as necessary. The program shall enable each employee to recognize hazards related to ladders and stairways, and shall train each employee in the procedures to be followed to minimize these hazards.
